

IF EVE COULD RETELL HER STORY, DO YOU THINK SHE WOULD SHARE IT ANY DIFFERENTLY?

"If ever someone had found and resurrected the missing half of the Bible, it would be Ayn Cates Sullivan. Let your entire soul exhale at the sheer relief of receiving the long lost (and long repressed) heritage of the Goddess."

— Christina Sophia Stellarum, MDiv. Harvard University

"An outstanding and beautifully illustrated study."

— Dr Leonee Ormond, Kings College London

Legends of the Grail: Stories of Celtic Goddesses is a collection of Irish myths and legends told in the traditional way, with a twist. Each Goddess, generally demonized or misunderstood, has the chance to retell her story in a way that liberates her from centuries of misunderstanding. Some of the legends date back eight thousand years, yet the wisdom is timeless.

"Extraordinary! A tapestry of the writer's gold is woven with legend, mystery, poem, prayer, history and myth!"

— Bruce L. Erikson, MotherEarth Media

Stories to inspire both young and mature with their timeless messages

***A Story of Becoming*: A Winner of Over 18 Literary Awards—and an Amazon Best Seller**

“*A Story of Becoming* reveals the miracle of life. This allegorical narrative may be diminutive in pages, but it is extensive in meaning. Elements of truth buried beneath the surface of the narrative resemble the nutrients held within the soil that nourishes nature’s fauna. I read it several times, discovering hidden gems of understanding each time. Sullivan’s writing style is sensory, simplistic, and eloquently imaginative. Belle Crow DuCray’s artwork illustrates the story beautifully, bringing depth and animation to Sullivan’s words. The fantasy fable’s theme echoes the unique purpose of life. Its mood is magical; nuances of awe, child-like innocence, and the wonderment of creation meld together masterfully. Sullivan creates balance in the narrative by portraying the challenges of life with the fortitude to overcome by becoming who you are destined to be. *A Story of Becoming* will inspire both young and mature with its timeless message.” —Cheryl E. ***Sparkle and the Gift*: A Multiple Award Winner including the GOLD Award of Excellence by the Mom’s Choice Awards**

“Ayn Cates Sullivan’s colorfully illustrated children’s book, *Sparkle and the Gift*, serves to remind all of us, young and old, of our divine purpose in protecting nature, in taking care of our world. The story is written like a fable which, like all fables, has the purpose of teaching the reader valuable lessons. Using metaphors of color and light, the author develops a charming story about careful guardianship, the result being a well-kept, colorful, beautiful garden. A wonderful story.”
