

# A Story from the Award Winning Sparkle Series

A celebration of the uniqueness within each of us, *Ella's Magic* is a stand-alone Sparkle Kids Easy Reader.

This book is an accompaniment to the longer continual reader *Sparkle & The Light*.

*Ella's Magic* is the story of a young girl named Ella, who has a special secret. When she becomes curious, a light shines out of her forehead. Ella also has the ability to fly into the other worlds, consciously dreaming in other times and places. All is well until the kids at school realize she is different. Ella must then undertake a quest to discover why she is so unusual and how to best use her powers.

This is an excellent book for Lightworkers.

32 pages and 900 words

Ages 4-8

\$17.99

ISBN 978-1-947925-29-8

**"This book is for every magical child who ever felt different or misunderstood."**

—Susan Lange, OMD, L.Ac.
