

A DREAMY TALE OF LOVE AND EMPOWERMENT SET IN 16TH CENTURY ITALY, INSPIRED BY MYTHOLOGY, MAGIC, SACRED GEOMETRY, AND RUNES.

"Once in a long while a book comes along that beckons you like the song of an enchantress in the evening sky. The Goddess Within reminded my forgotten memory of the magic of what nature brings if we only take time to listen. This is a must-read for these changing times in which union with all nature is essential."

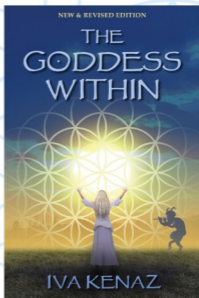

- Bruce L. Erikson, MotherEarth Media

"The Goddess Within is a novel that should be required reading for all young men and women who are coming of age. In this very sensitive romance, we learn about the beautiful wisdom of the body and the power of love."

- Ayn Cates Sullivan, PhD, Author, Editor, and Publisher

"Iva Kenaz writes with a panache that comfortably blends history, fantasy, and the refinement of literary fiction. I think this a wonderful story that can be enjoyed by readers of multiple genres, and would be equally comfortable recommending it to all ages."

- Jamie Michele, Reader's Favorite
